Air Step

- Designed to integrate balance, fitness, sport performance and rehabilitation.
- This dynamic training device improves the body's overall strength and condition
- It builds core stability and provides a complete body workout.
- Can be used for balance exercises on both sides for different exercises.

Get a three-in-one workout- cardiovascular, toning and flexibility training- with the same tool used by leading sports teams. Great for sports conditioning and general workouts. Inflatable dome on top of solid platform. Strengthens and coordinates body. Targets core muscles in abdominal and back areas. Builds strength, trims and tones. Improves coordination

Part #			Price
BB2401	Air Step System	Includes Resistance Straps and Pump	\$130

Gymball Chair

Posture is everything when you are sitting for long periods throughout the day. The advantage of sitting on a gymball at the office or at home is that the instability of the ball requires that you engage your core as you sit. Our gymball chairs offer the same benefits with the added convenience of a castor rolling base for maneuverability and safety. Great for work or home office!

Part #		Price
L9074	Children	\$100

MUSCLE AND NERVE STIMULATION

TENS UNIT

TENS (Transcutaneous Electrical Nerve Stimulation) sends electrical impulses to certain parts of the body to block pain signals. The electrical currents produced are mild, but can prevent pain messages from being transmitted to the brain and may raise the level of endorphins (natural pain killers produced by the brain). One year Warranty.

Part #		Price
KPTENS803	TENS 7000 Portable Digital	\$89.95
		2 @ \$54.95
		5 @ \$49.45

MUSCLE STIM UNIT

For the relaxation of muscle spasms, increasing range of motion, reduction and prevention of muscle atrophy, re-education of muscles and increasing local blood circulation. For relief from minor pain (joint pains, muscle aches, etc) and stress. To strengthen muscles, improve overall appearance, and enhance your physical training. One year Warranty.

FAR INFRARED LAMP

TDP CQ-27 IR Heat Lamp

The TDP CQ-27 heat lamp is unlike any other heat lamp. While most lamps use common infrared bulb, the specially engineered TDP CQ-27 features a "black body" emission heating plate which is coated with a proprietary mineral formulation consisting of 33 elements. When activated by a built-in electric heating element, this mineral plate emits a special band of far infrared electromagnetic energy which penetrates deep into the human body. The human body (cells) has a higher absorption efficiency for far infrared energy than near infrared. The emission head can be positioned as low as 12" (for treating feet) to 60". Depending on the treated condition, repeated treatments of 20 to 40 minutes are recommended. Easy assembly. UL approved.

Part #		Price
MKTDPH	TDP Far Infrared Lamp w/ caster base	\$329
